"Typhoid fever left me with heart trouble
of the most serious nature. Nothing the
doctors gave had any effect. I had severe
pains in the heart, and was unable to lie on
my left side for more than three minutes at
a time. My heart seemed to miss beats, and
I had smothering spells, in which it seemed
every breath would be my lass. We accidently saw an advertisement of

Dr. Miles' New Heart Cure and Restorative Nervine, and purchased a bottle of each. After taking the remedies a week, I could be lifted in a chair and sit up an bour, and in a short time I was able to do light housework. I shall be ever grateful to you for your wonderful medicines. Truly they saved my life.

Dr. Miles Heart Cure is sold on a positive guarantee that the first bottle will benefit. All druggists sell It at \$1.6 bottles for \$5 or a will be sent, prepaid on receipt of price by the Dr. Miles Medical Co., Eikhart, Ind.

We live in a country of which the principal scourge is stomach-trouble. It is more wide-spread than any other disease, and, very nearly, more

One thing that makes it so dauger-ous is that it is so little understood. If it were better understood, it would be more feared, more easily cured, less universal than it is now.
So, those who wish to be cured, take Shaker Disgestive Cordial, because it goes to the root of the trouble as no other realistics.

The Method of a Great Treat ment for Weakness of Men.

Which Cured Him After Everything Else Failed.

Painful diseases are bad enough, but when a man is slowly wasting away with nervous weakness, the mental forbodings are ten times weakness, the mental foroidings are ten times worse than the most severe pain. There is no let up to the mental suffering day or night. Sleep is almost impossible and under such a strain men are scarcely responsible for what they do. For years the writer rolled and tossed on the troubled sea of s xual weakness antill these a question whether he had not until it was a question whether he had not better take a dose of poison and thus end all his tioubles. But providential inspira-tion came to his aid in the shape of a combirestored the general health, but enlarged his weak and emaciated parts to natural size and vigor, and he now declares that any man who will take the trouble to send his name and address may have the method of this wonder ful treatment free. Now when I say free I mean absolutely without cost, because I want every weakened man to get the benefit of my expirience.
